Dear Judge Cayer:

Pursuant to your order dated August 7, 2018 (Dkt. No. 17), the United States Patent and Trademark Office hereby submits the certified record of the proceedings before the Trademark Trial and Appeal Board ("TTAB") in Opposition Nos. 91195552 and 91190246 and Cancellation No. 92053001.

The record is in three boxes and includes a certification page and a table of contents listing the documents comprising the record. Also enclosed is a CD containing an electronic copy of the certified records.

Please note that some of the materials included in the record are designated as "confidential" and were submitted under a protective order approved by the TTAB. The confidential documents are designated as such in the table of contents and with sealed envelopes in the physical certified record. The enclosed CD of the record includes the confidential documents within the .pdf file and therefore the CD should also be treated as confidential.
